Special Requirements or Notes

Estimate Price (Incl GST) $1200 (Auto calculated = Total Duration (Minutes/60 X Base Price for Service + Uplift if day of week is Saturday (6) or Sunday (0) from the database Time Pricing Rules)

Discount $100 (Editable)

Quoted Fee $1100 (Editable)

GST 10% $100 (calculated)

Therapist Fees $540 (calculated Total Duration (Minutes/60 X therapist_daytime_hourly_rate or if a Saturday or Sunday then therapist_weekend_hourly_rate from System Settings in the database)

Status

Internal Notes

SAVE (On changes of any field that is highlighted in yellow – deletes any existing bookings. Message 'Please go to Therapist Availability page and assign therapists to the this quote')

Therapist Availability Page

Presents as it currently does but logic must be airtight

Assign therapists to the events

Confirm Availability and Create Bookings (Greyed out after bookings confirmed)

Button Appears – Send Official Quote and Therapist calendars updated with Pending bookings

After button Send Official Quote clicked greyed out and Ideally quote sent date appears beside button

Client Accepts quote Status Updated to Accepted and Therapist calendars updated to Confirmed bookings

Send Email (Therapist Group Event booking email – template to be built)

On changing of an Assignment after quote accepted

Click Remove Assignment – this removes therapist booking from the database and updates the time slot between the remaining therapists.

Click Add Assignment – this adds a therapist booking to the database and updates the time slot between the other therapists.

Send Email to all therapists with an updated schedule for the booking.
